HERE'S THE PLACE TO DO IT!

Our annual Home Builders Auction is approaching very quickly!! Just a reminder to all that we need merchandise that is in usable condition. We will have a storage facility next to the HBA office Please contact Carm or Sherry for the key. If you need help moving anything or need to have items picked up please call Eric at 989-560-5106 or Carm at 989-775-7747. We had a great sale last year and hope to have a bigger and better sale this year. Remember, a portion of the proceeds go to help the women's shelter. We will also need plenty of volunteers for the Friday before the auction and Saturday the day of the auction. Thank you in advance for you donations.
